CAPA COMMUNITY EDUCATION FUND CHAIR'S MESSAGE

Welcome to the 2014 Intern Graduation Program of CAPA Community Education Fund. I wish to sincerely thank all of you who so generously support our wonderful programs and activities throughout the year. Your commitment to our organization is greatly appreciated.

With the passing of every year, we add to the ever-growing number of CAPA CEF interns who have spent an eye-opening experience working at a public office for a few short months. In fact, this internship is most likely their first experience working in a professional environment. The internship experience can be a challenge, yet upon graduation, it can provide them with a sense of accomplishment. I am certain that this summer will always be remembered by our interns.

I also cannot express enough gratitude and appreciation to the parents and family of the interns. Such support is invaluable to both the students and to the program, and ultimately, the benefits from such a nurturing environment are felt by all.

We hope that you will enjoy this afternoon's event, and that we will see you again soon. We cannot be any prouder of our 2014 interns. Thank you once again.

Sincerely,
