## CAPA COMMUNITY EDUCATION FUND CHAIR'S MESSAGE

Dear Guests,

Welcome to our annual Gala at the elegant Round Hill Country Club. We are always delighted and deeply appreciative of your wonderful support, without which we could not even come close to providing such stellar events and programs.

This year, our Gala's theme is "Celebrating Our Legacy." Tonight, we reflect back initially on our founding while we recall the twists and turns of our journey through the years. We have always endeavored to maintain a consistent message and identity that we could call our own, and I believe that we have been successful in doing so. We have been able to sustain an impeccable reputation of integrity and reliability with all the various communities and groups that we interact with, which include the public officials and other community leaders. Our organizational and operational structure for our programs, such as the summer internship, the candidates forum and voter registration, have been used as a model by other community groups at their own local areas. Thus, we can truly say that we have a unique legacy to be proud of, especially that it is still an ongoing one of building alliances through leadership and stewardship. While we may not be one of the biggest, we are full of pride to say that we are one of the best.

Thank you once again for being at our Gala. Your presence is as much a warm gesture of support as it is an affirmation that it is all worthwhile.

Sincerely,

Eric Golangco  
Chair, CAPA Community Education Fund

## CAPA PRESIDENT'S MESSAGE

Dear Friends,

It is with great pleasure that I once again welcome you to our annual CAPA Gala. This year our theme is "Celebrating our Legacy".

Our legacy is a great one—the culmination of almost three decades of tireless work and dedication by our all-volunteer members, many of whom have committed most or all of their adult lives to a cause that resonates among our community of Asian Americans—the cause of inclusiveness, civic education, political participation, and most of all, freedom.

That is the essence of our legacy—the freedom to be proud and full-fledged members of the most ambitious, most diverse, and most powerful nation in the world...as we celebrate tonight, let us remember all those who have come before us, who have made the ultimate sacrifice, who have fought in battlefields abroad and at home, to ensure that freedom, our freedom, and a government "of the people, by the people and for the people...might not perish, from the Earth."

Make no mistake, we live in divisive times. In what will perhaps one day be known as one of the most passionate and hotly contested presidential elections in American history, this coming fall, we will once again exercise our right to vote, to choose who will occupy our nation's highest office. As we do that, our society appears to be sharply divided, among the "haves" and "have-nots", among what has been aptly called the 99% and the 1%.

But let us not forget, no matter what place in the socio-economic spectrum we each reside, we ALL have the hard-fought privilege to vote, to participate, to choose who will lead us, onwards and upwards, into what surely will continue to be our bright, collective future. Tonight, as we celebrate that legacy, our legacy, let us continue to be fully engaged, and let us continue to shape that legacy, until we complete it, and in so doing, perfect our Union.

Very truly yours,

Stephen P. Lin, Esq.

Dear Friends:

I am delighted to have this opportunity to join with you tonight in recognizing the students participating in CAPA's 2012 Internship Class and express my personal appreciation for the on-going work of the Community Education Fund.

The students I have met through internships in my District Office have been, without exception, bright, talented, and eager learners. As they hone their leadership skills and with a clear focus on community service, they will truly make a difference in the world.

In supporting these students, you have provided them with the opportunity to expand their experience beyond the classroom and to see first-hand the various roles of government in our society. Tonight's celebration is a very special tribute to the students as well as the men and women of CAPA who make the program possible.

I am proud to join with CAPA in recognizing the Internship Class of 2012 and wish each student great success in the future.

Sincerely,

## *Greetings from Congresswoman Barbara Lee*

Dear Friends,

It is my honor to welcome you to the 2012 Chinese American Political Association Community Education Fund (CAPA Ed Fund) Gala. On this special occasion, we celebrate the invaluable political education and activism that CAPA continually provides to the greater Bay Area. Moreover, I would like to take a moment to recognize Eric Golangco, Chairperson of the CAPA Ed Fund Board of Directors; Stephen Lin, President of the CAPA Board of Directors; and Evelyn Lin, Chairperson of the 2012 CAPA Ed Fund Internship Program.

Since its founding in 1984, CAPA has been a powerful force of political engagement, raising awareness of the Asian Pacific Islander American (APIA) community and promoting the APIA community's participation in the political process. In 1997, CAPA formed the CAPA Ed Fund, which supports educational programs that encourage active APIA community participation in leadership, public service, community improvement, and the democratic process. These programs include the CAPA Internship Program, CAPA Ed Fund Research Program, and Fall Forum. These programs provide immeasurable benefits to families throughout the 9<sup>th</sup> Congressional District. In fact, my Oakland District Office has had the pleasure of hosting a CAPA student intern for the last two summers.

On behalf of the residents of California's 9th Congressional District, I would like to thank CAPA and the CAPA Ed Fund for their valued service to our communities. Also, I would like to recognize everyone here for their continued support of this vital organization. Thank you all for contributing to the success of today's event. I wish you the very best in your future endeavors.

Sincerely,

Barbara Lee

## Chinese American Political Association's Community Education Fund Annual Gala

**August 18, 2012**

Dear Friends,

Welcome to the CAPA's Community Education Fund Gala! Tonight's theme is "Celebrating our Legacy," and as such we have much to celebrate.

CAPA has grown considerably since its inception in 1984. It is now a vibrant organization that keeps Chinese Americans throughout California informed about local and national politics. The CEF, its crowning achievement, offers young Chinese American students internships in public office and helps motivate them to pursue endeavors in community service. The Community Education Fund invests in our community's future by furthering our children's education, and for that they have my sincere thanks.

It is an honor to recognize this important organization, and I hope you will all join me in supporting it.

Sincerely,

Senator Leland Y. Yee, Ph.D.

Greetings from the California State Assembly!

It is an honor to recognize the Chinese American Political Association on the occasion of your Annual Summer Gala.

CAPA is to be commended for its exemplary leadership and dedication by strengthening and empowering Chinese Americans through political education and the promotion of civic engagement and cultural diversity. The Community Education Fund's sponsorship of student interns and fellows for local, county, state, and federal offices in the Bay Area is to be applauded. My office has collaborated with this program, and we hope to have imparted on our participants a deeper understanding of the political process and the importance of civic participation.

Dear Friends:

Greetings! I wanted to take this opportunity to congratulate CAPA and the CAPA Community Education Fund for celebrating over 20 years of the Student Internship Program.

Outside of my role as Mayor for the City of Dublin, I have also been a Social Studies teacher at Dublin High School for the past 14 years. Based upon my experience in the classroom, I can attest to the fact that the greatest educational opportunities for students take place when they are able to experience first-hand how government operates. Even the best lectures by the strongest teachers cannot replace the knowledge a student will gain from participating in an internship program, working directly with elected officials, staff, and community leaders.

In addition to giving participating students an invaluable educational experience, I believe that CAPA plays an important role in raising overall political awareness and participation of the Chinese American and Asian and Pacific Islander community as a whole.

I wish the CAPA Intern Class of 2012 success in all of their life's future endeavors. It has been a pleasure working with them. I also want to thank the leadership of CAPA and the CAPA Community Education Fund for your work in making this such a success.

Best Wishes,

# Our Honoree

## United States Congressman George Miller Representing California's 7th District

Congressman George Miller is the Senior Democrat of the House Education and Workforce Committee and chairman of the Democratic Policy Committee, a leadership position. George is a leading advocate in Congress on education, labor, the economy, and the environment.

He has represented the 7th District of California in the East Bay of San Francisco since 1975. His district includes portions of Contra Costa and Solano counties, including Richmond, Concord, Martinez, Pittsburg, Benicia, Vallejo and Vacaville. He is a life-long Democrat and Californian.

George is a member of the Democratic Leadership, serving at House Minority Leader Nancy Pelosi's direction as chairman of the House Democratic Policy Committee. In that role he helps Democrats develop and articulate a wide range of policies to benefit all Americans.

Among George's top priorities in Congress are strengthening and growing America's middle class and ensuring economic growth that creates good American jobs. He is a leader in the effort to protect Americans' retirement and health security, to further innovation in technology,

science and education, to make college more affordable, to improve child nutrition, to make k-12 public schools more successful, and to reduce global warming.

In the 111th Congress, George helped craft President Obama's American Recovery and Reinvestment Act to save and create millions of jobs, invest in education and get the economy moving forward again. The law also included historic investments to spur education reform, including the Race to the Top program, which has encouraged states to modernize their schools, reward excellent teachers and use data to help increase student achievement.

That same year, George authored and passed the College Cost Reduction and Access Act, at that time the largest expansion of federal financial aid for college since the GI Bill. The bill was passed by Congress and signed by President Bush. The law cut interest rates for Stafford Loans in half, increased Pell grants, and provided loan forgiveness to qualified public service employees with student loan debt – without increasing the deficit.

George is an expert and leader in Congress on California water issues and national environmental policy. In 1992, he passed and enacted into law under Republican President George H. W. Bush the historic California water reform law known as the Central Valley Project Improvement Act. He also co-authored with Senator Dianne Feinstein the 1994 California Desert Protection Act. George has a long history of other legislative achievements on a wide range of education, labor, and environmental issues.

George was born in Richmond, CA, on May 17, 1945 and lives in Martinez. He graduated from Diablo Valley Community College, San Francisco State University, and earned his law degree from the University of California, Davis, Law School. He served on the staff of then-State Senate Majority Leader George Moscone in Sacramento. He is married to Cynthia Caccavo Miller, a life-long resident of Contra Costa County. They have two sons, George and Stephen, and six grandchildren.

## Mistress of Ceremonies Seechung Lee

Seechung Lee started with CAPA as an intern in 1999 working for then San Francisco Supervisor Mabel Teng. Following her internship, she continued to volunteer with CAPA for several years. In 2005, she joined CAPA Community Education Fund as a Board Member, serving in multiple capacities, including Webmaster, Gala Chair, and Vice Chair. Though no longer serving on the Board, she still works closely with CAPA to maintain their website.

Outside of CAPA, Seechung works at Zuora, a technology start up in Redwood City. Having experienced the unexpected encounters of disgruntled constituents during her internship, she believes that the opportunities offered by CAPA has helped her flourish in her role as a Client Services Manager.

Seechung graduated from Barnard College at Columbia University in 2004, majoring in Economics, with a minor in Dance.

# Educational Forum in San Ramon

## Safety and Security in our Schools and Communities

Published in World Journal, November 7, 2011, written by Qiaolun Chen

English translation provided by Cecilia Mok

The CAPA (Chinese American Political Association) Community Education Fund hosted an education forum at San Ramon Community Center on November 6, 2011. Among the guest speakers were County district attorney, judge, sheriff, fire official and school district commissioner. In their analysis of bullying in schools and community emergency response systems, these speakers examined the existing circumstances in our communities and provided their professional opinions in coping with these issues. Over 120 Asian and non-Asian residents attended the forum that went on with active participation and dynamic interaction.

With respect to the rising number of bullying incidents in schools, former San Ramon Unified School District Trustee Bill Clarkson stated that in addition to educating students about the meaning of bullying, teaching staff should keep a watchful eye on how well students relate to each other, and establish a communication channel for the effective delivery of anti-bullying messages and for victims to report incidents of bullying. Clarkson pointed out that bullying could take on many forms and go beyond the verbal ridicule and provocation or the physical assault and coercion. He suggested that parents should communicate with their children openly about bullying and allow them to freely express their emotions and share their experiences. In order to prevent cyber bullying as well as other potential forms of bullying behavior from happening, parents should always keep an eye out on children's use of text messaging on cell phone and other exchanges in the social media.

San Francisco Assistant District Attorney Mike Menesini reminded residents that majority of thefts and robberies were committed by opportunistic criminals who exploited the vulnerability of the unprepared. When using their cell phones, many people fail to stay alert and aware of their surroundings and therefore they become easy targets of criminals. To combat identity theft, people should shred all documents containing sensitive personal information. When a crime occurs, one should report to the police immediately and keep a record of it.

San Ramon Valley Fire Chief Richard Price encouraged people to learn how to perform cardiopulmonary resuscitation (CPR), a life saving skill. It becomes most useful when someone's life is on the line and a medical personnel is not nearby in an emergency.

(Caption for the photo: San Ramon Fire Chief Richard Price advocates the importance of learning CPR and illustrates the steps of downloading rescue application, providing immediate and timely relief to others.)

## 「美華」教育講座 教亞裔反霸凌

記者陳巧倫聖拉蒙報導

November 07, 2011

美華教育基金 (CAPA Community Education Fund) 6 日在聖拉蒙社區中心舉辦公共教育講座，邀請康曲柯士達縣警長、地檢處檢察官、消防官員、學區主管等，針對校園霸凌、社區緊急應變系統等議題，分析康縣現況及提出專業見解。逾 120 位亞裔居民出席，現場互動氣氛熱烈。

針對目前層出不窮的校園霸凌事件，前聖拉蒙學區董事克拉克森 (Bill Clarkson) 表示，除教導學生了解霸凌的含意，教職員也必須注意學生間相處情形，並建立通報管道。克拉克森指出，霸凌不再只是言語上的嘲笑和挑釁、暴力行為等，他建議家長要和子女做好溝通，讓子女可以放心表達自己的感受，更要注意子女使用手機簡訊、社交媒體等管道的情形，以防止潛在的霸凌行為發生。

舊金山地檢處助理檢察官曼西尼 (Mike Menesini) 提醒居民，大多數竊盜、強劫罪犯是機會主義者，趁民眾無防備時下手。許多民眾使用手機時常忽略周遭環境，最容易成為歹徒下手目標。印有個人資料的文件，也必須使用碎紙機處理才能丟棄。

當罪案發生時，一定要馬上報警，留下記錄。聖拉蒙消防局長布萊斯 (Richard Price) 鼓勵民眾學習心肺復甦術 CPR，在旁人性命危急時刻可以派上用場。美華教育基金主席林比正表示，今年的座談活動由美亞公共事務聯盟 (APAPA) 灣區分部協助。美華教育基金自 1984 年創立，長期在康曲柯士達縣舉辦社區論壇、政見辯論會等，推動華人參政教育，鼓勵亞裔融入公共事務。
